## Executive Summary

Collectively, over 100 years of Education from Early Childhood to Higher Education experience from training to teaching; from mentoring to professional development, 3MARDECO is your solution to educational services. Our staff has mastered the art of individualized and differentiated training and instruction. We do this by consulting with our clients in a one-on-one atmosphere and writing the prescription for each client's specific needs. From the lens of special education, math, speech therapy, counseling, psychotherapy, reading, food science, English, and online learning, our team of subject area experts will continue to be your #1 Choice in Customer Satisfaction.
